

Environmental Policy

Rotork is a market-leading global provider of mission-critical intelligent flow control solutions, with operations in more than 60 countries. Rotork's purpose is 'keeping the world flowing for future generations' and its vision is to be the leader in intelligent flow control. The Group is committed to improving its environmental performance. Rotork's products help customers increase operational efficiency, reduce environmental impacts and provide safer working environments.

OUR ENVIRONMENTAL COMMITMENTS

- › Reduce scope 1 and 2 emissions by 60% by 2030 from a 2020 baseline and achieve net-zero by 2035 for scopes 1 & 2 and by 2045 for scope 3.
- › Strive to prevent pollution and reduce our impact on the environment across all activities.
- › Eliminate waste to landfill and minimise water consumption throughout our operations.
- › Focus on promoting biodiversity and favouring the use of sustainable materials where possible.
- › Comply with applicable environmental legislation.
- › Ensure our environmental, energy and greenhouse gas emission management systems are industry-certified to the respective ISO-accreditation on an annual basis, with a plan formulated for future site integration and Environmental Management System continuous improvement.
- › Monitor environmental performance data and use environmental KPIs to deliver our strategy in respect of greenhouse gas emissions reduction, energy efficiency and improved waste and water management.
- › Work with colleagues to improve understanding of environmental issues and encourage high environmental standards, by communicating our environmental policy and the role that each individual plays within the sustainability framework and the value of Rotork meeting its commitments.
- › Influence our suppliers, distribution and logistics teams to embed environmental protection and energy reduction across their activities.
- › Complete an annual environmental performance review (including progress against targets, risks and opportunities).
- › Update this policy at regular intervals to ensure continuous improvement.
- › This policy is approved by the Board of Directors and delivery is overseen by the Management Board.

A handwritten signature in red ink that reads "Kiet Huynh".
